

CHARITY REFERENCE GUIDE 2023

Important information for a successful year with Birdies for Charity

ABOUT BIRDIES FOR CHARITY®

Birdies for Charity is the charitable arm of the John Deere Classic. The program is designed to give participating 501(c)3 organizations the opportunity to generate contributions through one-time flat pledges or donations.

Since 1971, the John Deere Classic has delivered over \$159 million, most of it through the innovative Birdies for Charity program. It is the generous and hardworking nature of this area that makes the John Deere Classic #1 on the PGA TOUR in charitable contributions per capita.

PROGRAM OVERVIEW:

The 2023 Birdies for Charity program runs from April 3, 2023 – October 31, 2023. While the program will officially kick-off in April, you can get started early! We will start accepting new pledges after November 1, 2022.

- Charities pay no administrative fees – Our amazing sponsor, John Deere, underwrites the program to ensure participating charities receive 100% of all donations and pledges designated to their organization
- Birdies for Charity promises a **BONUS** of at least 5%, and up to 10% on all donations* each organization brings in
 - We work hard to grow the **BONUS FUND**! Donations to the **BFC BONUS FUND** (Bird #1041) benefit all participating charities in the program. In addition to these direct donations, the **BONUS FUND** grows from tournament revenues, special events and a generous matching grant from John Deere.
- **All charitable contributions must come from a designated donor and must not be part of a capital campaign. The Birdies for Charity program is intended to support charitable organizations, services, operations, and programs. It is not intended to be used for endowment or brick and mortar charitable purposes.**

**All charities will be guaranteed a 5% BONUS on amounts up to their prior year pledge total, or \$100,000 whichever is greater. Additional bonus amounts are based on tournament revenues.*

CONTEST OVERVIEW:

One lucky supporter of the Birdies for Charity program will win a 2-year lease on a 2023 Lexus NX courtesy of Smart Lexus of Quad Cities. To enter the contest, donors simply guess the number of birdies that will be made by PGA TOUR players during the John Deere Classic.

- All guesses must be on an official pledge card and received at the tournament by June 16, 2023.
- Only 1 grand prize is awarded to one person who correctly guesses the # of birdies made. Ties are determined by a random drawing. Judges' decision is final.
- Official and complete rules are available at www.birdiesforcharity.com/about/rules
