

2022 Partner Program

The Birdies For Charity Bonus Fund continues the bonus promise.

The Birdies for Charity Bonus Fund was established to support the continuing efforts of the John Deere Classic, a 501(C)(3) not-for-profit organization, to provide bonus dollars to participating organizations.

As before, the tournament will provide a bonus to all participating charities. This year, all charities will be **guaranteed a 5% bonus** on amounts up to their prior year pledge total, or **\$100,000**, whichever is greater. Additional bonus dollars will be based on tournament revenues. The Birdies for Charity Bonus Fund is the source of these bonus dollars. This fund is supported with dollars from tournament revenues, support from corporations, direct donations, special events and a generous matching grant from **the John Deere Foundation**. These dollars will be distributed annually, and are designed not to compete with, but to enhance the benefits for the hundreds of charities that participate in the program. So, if you are not already participating, **this is the year to hop on board.**
