

# PARTNER PROGRAM

The Partner Program provides a distinctive opportunity to support your preferred organizations through Birdies for Charity. Partner donations, which start at \$1,500, come with a variety of benefits that you can enjoy if you choose to participate.

## KEY BENEFITS

- On-Course & Website Recognition
- With no goods or services provided, 100% of Partner donations may be tax deductible.
- Tax-savvy giving methods, including gifts of stock, Qualified Charitable Distributions and donor-advised fund gifts.
- Your gift will be matched by the Bonus Fund by at least 5% before being delivered!

If you're interested in supporting the Bonus Fund, the Platinum Tee Club might be the right fit for you! While Partner packages no longer include tickets to the tournament, Platinum Tee Club (a partner level donation to the Bonus Fund) contributions of \$1,500 or more, continue to include tickets!
